1. Introduction to the Westpac Bicentennial Foundation

In celebration of Westpac Group's 200th anniversary on 8 April 2017, the Westpac Bicentennial Foundation was established with the aim of educating and advancing Australians. The Westpac Bicentennial Foundation believes investing in Australia's future leaders through education and support is the primary way our country will thrive in the next century.

The Foundation supports 100 scholars a year, forever, across the five scholarship programs: Asian Exchange, Young Technologists, Social Change, Future Leaders, and the Research Fellowship.

2. The Westpac Future Leaders Scholarship

2.1 Overview

The Westpac Future Leaders Scholarship supports Australia's future leaders by providing an enriching postgraduate experience for talented individuals to study at one of Australia's leading universities and participate in a bespoke, nine-month, Leadership Development Program. Scholars will also have the chance to add a global context to their education, with tailored international experiences of up to six months.

Scholarship recipients will be exceptional people, chosen for their ability to make a difference to Australia's future in one of our three focus areas:

- Technology and innovation;
- Strengthening Australia-Asia ties; and
- Enabling positive social change.

17 scholarships valued at up to \$120,000 over, typically, 2-3 years, will be awarded in 2017 for research or coursework studies at postgraduate level. Consideration for fourth year funding will be given in exceptional circumstances to PhD applicants. This request must be included in the budget section of the application.

Scholars will become part of the connected cohort of the *Westpac 100* Westpac Scholars Network, which is across all five scholarships programs. Providing life long learning, development and networking opportunities, the *Westpac 100* is owned and driven by scholars, with the support of the Foundation.

2.2 Scholarship Program

The scholarship program is valued at up to \$120,000 and includes:

- **Support for your study or research**
The Scholarship supports university course fees (for coursework applicants) and assists with living expenses for your study or research period so you can focus on your learning. Scholarship funding may also be used for domestic travel to attend conferences or undertake other field work within Australia.

- **Leadership Development Program**

The nine-month Leadership Development Program provides leadership development beyond the classroom and supports you to build on your strengths, develop targeted leadership capabilities that will allow you to be best placed to succeed in your chosen field, and beyond. The program includes a five day intensive experiential workshop and follow-up events that will you to further imagine and articulate your vision, act collaboratively with presence and impact in implementing that vision, and become an inspirational role model.

The program provides exposure to global thought leaders and explores key topics related to the Foundation's focus areas (technology and innovation; strengthening Australia-Asia ties; and enabling positive social change) through a range of workshops, forums, mentoring and experiences.

The Leadership Development Program has been created in collaboration with recognised experts in leadership excellence, including support from several leading Australian universities. The Leadership Development Program will kick off in February 2018 (19-23 February inclusive) with a 5-day residential program in Sydney. It is compulsory to attend the program.

- **International Experience**

Leadership demands an ability to view situations and circumstances from a variety of different perspectives. This Scholarship gives you the chance to add a global context to your education, with tailored international experiences of up to six months. Whether it is conducting research, attending a short course or conference, an internship, or volunteering, this global experience will assist you in building valuable networks, career pathways and enhancing your study program.

- **Westpac 100 Scholars Network**

Money can help launch a vision but it takes a network of inspired and inspiring people to sustain it. That's why every Westpac Future Leaders Scholarship recipient will be part of the *Westpac 100* Westpac Scholars Network. Growing by 100 scholars a year across our five scholarship programs, this network will connect those with bold ideas to build a better future for all Australians.

- **2018 Westpac Scholars' Summit – 11-12 April 2018**

All 100 Westpac Scholars from our five scholarship programs will come together in Sydney in April 2018 to participate in tailored workshops, hear from business and academic luminaries, and form connections with fellow scholars.

For more information on the funding inclusions, please see section [8. Scholarship Budget Guidelines](#).

2.4 Participating Universities

The Westpac Future Leaders Scholarship program is offered in the **areas of world class standing** at the following universities:

- Australian National University
- Monash University
- The University of Adelaide
- The University of Melbourne
- The University of Queensland
- The University of Sydney
- University of New South Wales
- University of Tasmania
- University of Western Australia

2.5 Funding Priorities

Successful applicants will need to be able to demonstrate how their proposed study plan will contribute to the future growth and prosperity of Australia in at least one of the following priority areas:

- Technology and innovation;
- Strengthening the ties between Australia and Asia; and
- Enabling positive social change.

2.6 Funding Period

Funding is available to commence in 2018 for the following maximum periods (inclusive of an international experience of up to 6 months):

- Masters by coursework – program must be completed within 2 years;
- Masters by research – program must be completed with 3 years; and
- PhD – program must be completed within 4 years.

3. Eligibility Criteria

- You must be an **Australian citizen or permanent resident** (NZ citizens who are not also Australian citizens are not eligible);
- You must have completed an **undergraduate degree after 1 September 2012**, or will complete an undergraduate degree by 31 December 2017;
- You must have achieved or are on track to achieve an average result of **H1 or H2A (or equivalent)** – typically a minimum of 75%);
- You have chosen to undertake full-time a Masters by coursework or research, or a PhD at a **Participating University**;
- For PhD and Masters by research applicants only, a **Letter of Support** is required from your university from the Dean of the Faculty or Head of School or equivalent;
- For PhD and Masters by research applicants only, your proposed area of research must be in a field of research at a Participating University with an **Excellence in Research for Australia (ERA) four digit Field of Research (FOR) rating of “well above world standard”**. Exceptions to this will be considered for FOR ERA rating of “above world standard”, provided the university Letter of Support accompanying your application comments on why the area of research should be considered and is above world standing. For a

comprehensive list of FOR codes by university, visit the [Australian Research Council's website](#);

- For Masters by coursework applicants only, your proposed area of study must be in an area “**at or above world standard**”. This may be demonstrated by drawing on resources from the University or other ranking resources;
- You must **commence study in 2018**. Current PhD students are not eligible to apply;
- Your proposed program of study must contribute to the future of Australia in one of the **Foundation's priority funding** areas, refer section [2.5 Funding Priorities](#);
- Your proposed program of study must **include international opportunities** which will develop your leadership skills and global networks, such as; study tours for the purpose of research, attending a short course or conference, an internship or volunteering;
- You must have a worthy and viable post-study plan that **benefits Australia**;
- Funding requests for the purpose of **medical research** as defined in the ARC Medical Research Policy available on the [Australian Research Council](#) website will not be considered; MD programs or equivalent are also excluded;
- You must supply **two letters of reference**, one academic reference and one personal reference;
- Should your application progress to the final stage, you must attend the **National Assessment Centre** in person in Sydney on 12-13 December (paid for by the Foundation); and
- If successful, you must attend **the Leadership Development Program Sydney Residential, 18-23 February 2018, and the Westpac Scholars' Summit, April 2018**, both held in Sydney.
- Applicants may apply up to two times for the Westpac Future Leaders Scholarship.

4. Selection Criteria

Selection will be based on a candidate's academic achievements, world-class program of study, and focus on one or more of the Foundation's priority areas. Successful candidates will be able to demonstrate the following:

- Academic excellence and achievements to date;
- Ability to articulate how their proposed program of study has the potential to contribute to the future growth and prosperity of Australia in one of the Foundation's priority funding areas;
- The attributes of a Westpac Future Leaders Scholar (see Appendix A); and
- A strong sense of connection to Australia and commitment to improving the lives of others.

5. Selection Process

The selection process is a comprehensive approach that draws on a range of assessment tools and the expertise of selection panels within the Westpac Bicentennial Foundation, participating universities and a National Selection Panel. May be subject to changes.

Stage 1: First Round Shortlisting – Westpac Bicentennial Foundation shortlisting

Westpac Bicentennial Foundation to assess all applications for eligibility and quality.

Stage 2: Online assessment

All shortlisted applicants will be invited to participate in an online cognitive self-assessment tool. This will take approximately 20 minutes to complete. The results, along with the applications, will be provided to each relevant university for assessment.

Stage 3: University shortlisting

Each university's selection panel will assess shortlisted applications and select a total of 34 finalists nationally. Finalists will be invited to participate in a second online assessment tool.

Stage 4: National Assessment Centre – 12-13 December

Finalists will be invited to attend the National Assessment Centre in Sydney to be interviewed by a National Selection Panel. The National Selection Panel will comprise 10 senior industry, academic and research representatives, who will select the 17 Westpac Future Leaders Scholars for 2018.

Stage 5: Notification

The Westpac Bicentennial Foundation will notify all finalists of the National Selection Panel outcome in the week commencing 18 December 2017.

6. Key Dates

15 June	Applications open
5 September	Applications close midnight AEST
6 - 20 September	Westpac Bicentennial Foundation Shortlisting
21 - 26 September	Shortlisted applicants invited to complete online cognitive assessment
27 September – 19 October	University Shortlisting
23 October	Shortlisted applicants invited to attend the Assessment Centre and complete the online Hogan Inventory assessment. Unsuccessful applicants notified of outcome.
12 - 13 December	National Assessment Centre, Sydney. All shortlisted applicants will be required to attend an interview in Sydney. The Westpac Bicentennial Foundation will nominate which date candidates will attend and advise of date allocated when finalists are selected. Travel and accommodation costs will be covered by the Westpac Bicentennial Foundation.
18 - 20 December	Notification of Scholarship recipients and unsuccessful applicants.
18 - 23 February 2018	Westpac Scholars Leadership Development Program (Session 1 - over 5 days, in Sydney)
11-12 April 2018	Westpac Scholars' Summit in Sydney

7. Application Form

All applications must be submitted through Westpac Bicentennial Foundation's online application system. Click [here](#) to apply now.

Supporting documentation required as part of the online application:

- Your CV of no more than two pages of 10 point Arial font and line spacing 1.5;
- Certified copy of all university academic transcripts;
Letter of Support is required from your university (for research candidates only – PhD and Masters by Research) from the Dean of the Faculty or Head of School or equivalent using the template located on the [Westpac Bicentennial website](#).
- Two references are required using the reference templates which are located on the [Westpac Bicentennial website](#):
 - The first is an **Academic Reference** and needs to be completed by a person who is familiar with your academic record and understands the importance of your study program.

- The second is a **Personal Reference** and needs to be completed by a person who can demonstrate that you have the attributes of a Westpac Scholar. This can be a previous work colleague or manager, however should not be a family member or a person who currently or previously reported directly to you.

You may be required to present proof of citizenship or permanent residency at any time during the selection process.

8. Scholarship Budget Guidelines

The Westpac Future Leaders Scholarship will provide funding of up to \$120,000 to support study, research, global experience and access to the bespoke Leadership Development Program. The value of your proposed program of study or research may be less than \$120,000, and will depend on the type of course or research program.

You are required to prepare a draft scholarship budget as part of your application. If your application is successful, the university where you will be taking up your study or research will work with you to finalise your budget, **however the total funded amount is limited to the amount stipulated on the application.**

Although most costs are covered by the Westpac Future Leaders Scholarship, the Scholarship specifically excludes the following:

- bench fees or the costs of scientific equipment or similar academic resources. The Foundation expects such core costs to be covered by the university; and
- costs not directly related to studies (e.g. gym membership, professional association fees, fees for patent applications, costs of dependents, mobile phones).

The Scholarship Budget may include the following components (excluding GST):

Item	Description	Requirement
Leadership Development Program	This is a mandatory component of the Scholarship (refer section 2.2 Scholarship Program). Costs include course fee, travel and accommodation for the residential components.	\$12,000, year one only
University course fees	University course fees vary for different types of courses. You should see the participating university website for fee information.	University fees must be no more than 80% of your total Scholarship Budget.
Personal stipend	Annual living allowance equal to the Research Training Program (RTP) for a maximum of 2 years Refer Department of Education website .	Masters by coursework applicants only

RTP top-up	Annual living allowance to supplement your RTP. Refer Department of Education website .	Masters by research and PhD applicants only Valued at 75% of the RTP. Note this is a top-up to the RTP received.
Conference and short course fees	Fees related to attending and/or presenting at conferences and short courses that support your proposed field of study or research. Excluding travel and accommodation costs.	Convert to AUD at rate prevailing at date of application.
Equipment and consumables	Laptop, printer, specialist software for data capture and analysis, textbooks etc. based on prices at time of application.	
Travel	Travel costs reasonably associated with your proposed research and international experience e.g. economy airfares, travel, 3-4 star accommodation, visa costs, childcare, insurance, etc.	Must be no more than \$50,000 of your total Scholarship Budget.
Publication and dissemination costs	Costs reasonably associated with disseminating project outputs.	Must be no more than 2% of your total Scholarship Budget.
Childcare	Childcare costs reasonably associated with completing studies.
